Roofbox

awayindia.in

The Roof Cargo Box is a durable and secure storage solution that can be installed on your vehicle's roof. It provides the additional security you need to keep your belongings safe while traveling.

The Box is made of high-quality ABS plastic and features a gloss black top and bottom with a textured finish for better grip. The base also has ribs for extra support when loading luggage. The box has a dual-side opening feature that lets you access your luggage from whichever side you want.

3-point lock system has been integrated into the box, which is more secure than regular locks and allows for full locking without any side openings, remaining open and this system works with a unique secure key that you can easily carry around in your pocket!
